Training and Placement Office

In order to help our students (final year and pre final year) in becoming friendly to the placement environment. We require to arrange some practice sessions for interview group in discussions reasoning practice This will not only help our students in developing confidence to face placement drive but will also help in improving their communication skills.

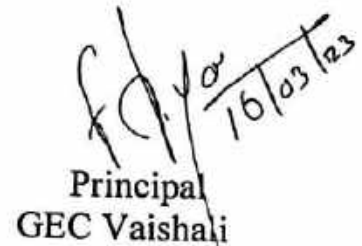

For this purpose training and placement cell, GEC Vaishali is planning to arrange practice sessions for interview, group discussion and reasoning practice under the name '**Target Classes**' on every Friday from 2:30 pm to 4:00pm. Session can be increased to more no of days as per the response of the students.

Tentative date for first mock interview session is 24th march 2023 from 2:30 pm to 4:00pm. For which we require 2 faculty members from each department.

All the HODS are requested to provide at least 2 faculty names for taking the session on specified date.
