## NOTICE

The Department of Electronics and Communication Engineering is organizing a **One Week Workshop on "Verilog for Beginners: A Gateway to Semiconductor Industry"** for all interested students. The workshop is designed to provide participants with practical knowledge of **Digital system design using Verilog Hardware Description Language (HDL)**, which forms the foundation of modern VLSI and semiconductor design.

- Date: 16/02/2026 to 22/02/2026
- Time: 2:30 PM to 5:00 PM
- Mode: Offline
- Venue: Seminar hall (3rd Floor)
- Pre-requisite: Basic knowledge of Digital Circuits

The session will cover Verilog fundamentals and hands-on practice with simulators.

Interested students are requested to register their names with given details:
